The Pastor's Pen

I am often amazed by the children and young people of our congregation. Over the summer, one of our youth members reached out to me to inquire about Genesis 2 & 3, because they were having a conversation with their friend about the people with whom Cain was sent to live after the fratricide of his brother, Abel.

We have another young member who has often come to speak with me about questions they have about grace and forgiveness (amongst other heavy theological questions). And there are several Sundays when I have received drawings made by our young members depicting images or scenes from the church. It's typically when I am looking for a sign from God that these little interactions remind me how much our children are sponges of faith, even when we may not always realize.

We remember when Jesus told his disciples not to restrict the children from coming to him,

for the kingdom belongs to them (Matthew 19.14). And of course we also recall Isaiah's prophecy that a little child shall lead (Isaiah 11.6). The children of our congregation represent the now of our church—not only what is to come.

During the final Sunday of this month, on Reformation Sunday, the Young Men's Bible Class will again continue their longstanding tradition of giving the 4th graders a Bible they can have to read and use throughout their lives. Such a ministry not only honors them as they come into the age to begin thinking about who God is, what Christ did for the world, and the power the Spirit has inspired in them, but this ministry engages these young people into the Christian life where they begin to see themselves as a part of the congregation's ministry. This is such a wonderful and beautiful legacy that continues after having been created many decades ago. I am sure some of you probably still have and use

your YMBC Bibles on a regular basis.

On the final Sunday of last month, I gave a Children's Moment where I invited our children (and our aged-children) to contribute to a blanket drive for our friends at the Fifth Street Ministries. With the cooler temperatures beginning to become more noticeable in our area, we all can recognize the need to help provide warmth those those who may not have the comforts many of us enjoy. In such a way, our children can participate in the life of our congregation and mission work as citizens of God's kingdom and kin-dom.

As you course through this happy month, I hope you will speak with the children to remind them how important they are. Not only do they bring smiles to our faces now, but they stand to inherit their place in the future leadership of they church and the legacy of which they are now a part.

Joy to you,

Our Congregational Leadership

Notes of Thanks

Dear Friends,

I can't thank you enough for the beautiful tributes I received at the lovely celebration on Rally Day. What an honor. The recognition was far beyond my deserving. When I looked out at the faces of all of you after those kind remarks, I was overwhelmed with love for you and for this church. I was overcome with gratitude and appreciation for all that God has done here throughout my lifetime.

The beauty and the wonder of that day was being with all of you and at the same time being reminded of the many saints who nurtured me. Whatever I have accomplished has been because of what has been done for me. As I so poorly said, "You are now those nurturing saints". I saw in your faces the faces of many of the children that we have nurtured. You are now leaders and parents in our church. What I saw that day was the mystery and the wonder of church; the ongoing legacy of love and faith that we continually pass on to new generations and new friends. It is exciting to think that our opportunities to share this love and faith are growing as new people and children join with us. Clearly, this is the presence of God working in and through us all.

Thank you for the many warm and heartfelt expressions of love. I was so comforted to have our family and my wonderful Sunday School Class by my side. David Parker, one of our most faithful class members, saved me by delivering remarks that helped us all smile. Our class has been in conversation for many years about what it means to be a Christian today. Our discussions have been inspiring, and they have enabled us to develop a deep love and respect for one another. I think we are all grateful for each other and for what God has done as He guided our studies together.

Notes of Thanks (cont'd.)

I want to thank the Session for the designation of the library as a place of remembrance. What a perfect, humbling tribute. Our class has met in that room for over twenty-five years. The beautiful flowers the class gave me have faded, but for me the memory of that day, the memory of what we have all done together in First Presbyterian Church never will.

With deep love and gratitude,
Harriet Gilbert

Christian Educator emerita, Harriet Gilbert, receiving accolades while surrounded by her family and friends, during worship on 3 September 2023.
